Mrs. J. S. Ingraham,
R-2. Box 161A,
Texarkana, Tex.

Dear Mrs Ingraham;

I have your note for which I thank you very much, regarding the family of Efford Cobb Collier that removed from Upson County Georgia in 1857 to Texas. A few days ago I received a letter from Mr. W. C. Powell of Quanah City, Texas stating that the family of Efford Cobb Collier had moved to West Texas shortly after the Civil War and I now have letters out to Corpus Christi, Texas.

Mr. J. T. Blalock who is now 86 years old gave me some information regarding the family, all of our family here are dead, that is all the older ones. Mr. Blalock told me that Efford had two daughters and a son named William, one daughter named Fannie and one Sallie and that Fannie married Hardy Jackson and Sallie married Hardy Jackson's son.

I presume you belong to some of the old Ingram families of Upson County as there are quite a few living in this section yet.

I desire to thank you again for writing me.

Very respectfully,

J.C.Collier.

Signed in absence of Mr.Collier.
